(Bala Cynwyd, PA) December 2, 2013 – LearnQuest is very pleased to announce the signing of an agreement with Overnet Education as the exclusive public delivery Education Partner in Italy for authorized IBM training.

Overnet Education is considered one of Italy's premier centers of learning specializing in IT and management training. Overnet Education has worked in the field of education for more than 25 years and is best known for the quality of its curriculum. Overnet Education avail themselves as having the most technically knowledgeable, methodological and didactic team of instructors. Always keeping their clients' needs in the forefront, Overnet Education offers the latest training courses and state-of-the-art mode of delivery desired by their clients. Additional information can be found on the company website: www.overneteducation.it.

As an Authorized IBM Global Training Provider, LearnQuest is responsible for the global delivery of IBM training. To support this global initiative, LearnQuest has partnered with Overnet Education to sell and deliver public training in Italy. As LearnQuest's Exclusive Italian Education Partner, Overnet Education will be offering both private and self-paced IBM training courses.

"We are thrilled about our partnership with Overnet Education and the ability to offer IBM Training in Italy. Having Overnet Education as our exclusive Italian partner supports LearnQuest's mission of expanding our business across Europe. Some of the courses Overnet Education will offer include DB2, Lotus, Linux, System Storage, Storage Networking, Tivoli, WebSphere, zEnterprise, System x and z / OS," said Dimitri Schneiberg, Managing Director of LearnQuest.
